Even without any classes together we've had lotsa fun. Maybe next year. Let's really show 'em who's the best next year as Mighty Seniors. How about all the stupid (but fun) things we used to do? Well, all right, so we still do 'em. When we both get licences we can really have some fun! Remember, we have to get a pair of dice for Gary, so he'll know how many sides there are to 'em. Good old Geometry! I didn't get a thing out of it. Neither did he! Just think of all the poor guys we've gone thru! When ya look back on it how could we? Well, I'm stuck for anything more to say so... Luck Always

## MR. WILLIAM CARR

We, who hope for the future, dedicate this 1966 LaCamas Annual to Mr. Carr, who has hoped with us. Throughout his years in Camas High School, Mr. Carr has taught and advised us, and we take this opportunity to thank him. Believing in the individuality of man, he has taught us to teach ourselves, to reach for our goals, to believe in human worth. Yet he has said all this in his personal example more than by word. We too shall strive to become a positive part of our world.

"No one knows what it is that he can do till he tries."

## GARY RITTER

### PRESIDENT

"I pledge allegiance..." to Camas High School. This could easily have been Gary Ritter's oath taken for the position of president. Allegiance is truly what Gary gave to this institution.

Gary has proven to be intelligent, industrious, and indispensable through the 1965-1966 school year. His imaginative nature has added numerous new innovations to Camas High. He is diligently striving to fulfill his platform.

A vote of thanks, from the entire student body, goes to Gary Ritter for a most productive school year.

Due to the efforts of Mr. Cooper, Mr. Strickland, Mr. Quorn, and some of the team teaching World Problems class, our school was overrun by dictators. ## Classes

## SENIOR Class of 1966

### History of the Senior Class

The senior class of 1966 is very fortunate. Throughout this year, as all years, we have been led by a group of able and most helpful adults and students. We would like to express our gratitude to our staff of the finest advisors- Mr. Carr, Mr. McGraw, Mr. Vonkaenel, Mr. Stahl. They have been most helpful to us, and patient with us.

Our Associated Student Body officers, president Gary Rutter, vice-president Benny Andrews, secretary Barbara Brooking, and treasurer Noreen Buhman, were efficient and industrious, as were the senior class officers under Walt Radcliff, president. Mike Slyter was vice-president, Beth Zollo secretary, Lana Lively treasurer, and Mike Hutter sergeant at arms.

Special thanks, too, go to Pep Queen, Pat Hotten and the rally squad whose senior members were Candy Barnes, Jan Bailey, Linda McGeachy, Kathy Meyer, Walt Steeves, and Mike McKeever. They gave all of their support to two very deserving teams.

Our lives this year were all certainly enriched by the presence of our exchange student, Mike Hutter, who hails from Munich, Germany. He stayed here with the Robert Holland family.

Our Senior Ball, held on June 3, was a most successful season. It took place in the gymnasium, the scene of our Senior Ball. Co-chairmen were Sharon Mason and Tom Richardson.

"Oh, we love the halls of Ivy," ring out on June 3 as the senior class of 1966 graduated. The valedictory honor was shared by Marilyn Hoyt and Mary Knapp. Barbara Brooking was salutatorian and Dan Garvan was our elected class speaker.

The following table shows the results of the regression analysis for the dependent variable "Number of children in the household" (N = 1,000). The independent variables are "Age of the head of household" and "Gender of the head of household". The table includes the coefficient estimates, standard errors, t-statistics, and p-values for each variable.

| Variable   | Coefficient | Standard Error | t-statistic | p-value |
|--|-------------|----------------|-------------|---------|
| Age of the head of household                           | 0.001       | 0.001          | 1.2         | 0.23    |
| Gender of the head of household (Male = 1, Female = 0) | -0.05       | 0.03           | -1.5        | 0.13    |
| Constant   | 1.5         | 0.2            | 7.5         | <0.001  |

The regression results indicate that the number of children in the household is positively related to the age of the head of household, although the relationship is not statistically significant at the conventional levels. The gender of the head of household is negatively related to the number of children, but this relationship is also not statistically significant.

A poet once this  
sentence penned:  
"The one is rich who  
has a friend!"  
I read it and I  
thought: "How true!  
He must have had  
a friend like you!"

## Memory

With unrelenting crescendo, the symphony of a life replete with melodic progression hastens to its finale. And a friendship that is ours to share, with its "largos" and "allegros" moves everlasting; onward in sweet memories.

## Junior Class

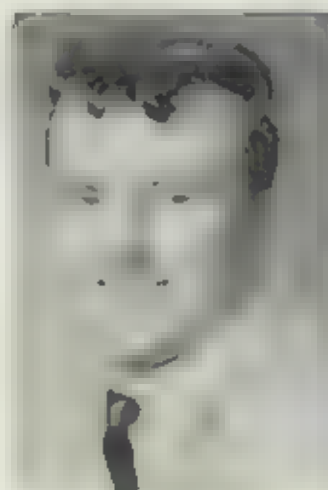

The class of 1964, led by Bryan Ostenson, President, Mark Brower, Vice-President, Kathy Westby, Secretary, Cheryl Bethune, Treasurer, and Ed Huston, Sergeant-at-Arms, completed a highly successful year.

The class's major projects for the year went toward the Junior Prom in the spring. During prom, they sold tickets, and during basketball they sold popcorn. They also held a dance during basketball.

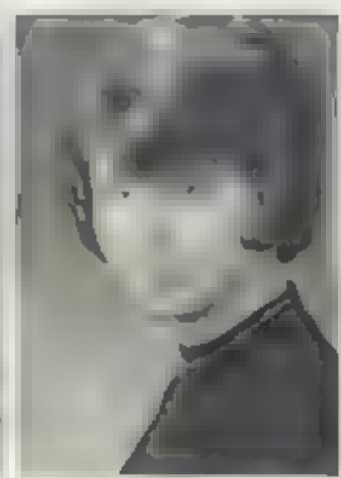

Ed Huston and Bryan Ostenson received some honor and fame in December, when they helped in the rescue of a child out of Deep Lake. They both were members of the team and were returning from the Christmas Tournament in Evergreen.

Miss Wils is now the junior class adviser and goes into the classroom during the year and especially during the hectic prom preparations.

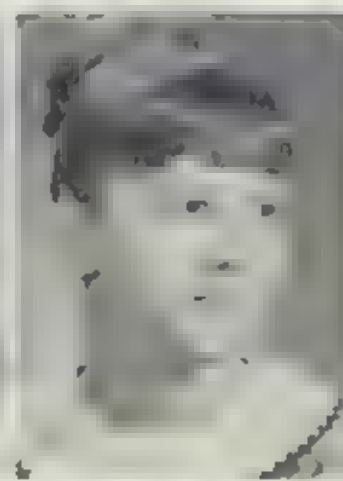

All of the class has next year's graduation on their minds foremost. The school will really be losing a good class, a hard working class, and a loyal class.

## Sophomore Class

The Sophomore Class was led to a successful year by its capable leaders. They are Steve Stahl, President, Carl Amberg, Vice-President, Carol Watson, Secretary, Cathy Brooking, Treasurer; and Bob Morris, Sergeant-at-Arms.

Peonats were seen at both football and basketball games under the supervision of Sergeant-at-Arms, Mr. Ronhaar.

The J. V. team worked very hard this year. The fellows were supported by the Sophomore J. V. Cheerleaders. They were Vicky Barnes, Janet Golladay, Katy Ward, and Bobbi Wenholz.

Many thanks go to Mr. Ronhaar, Mr. Purdy, and Mr. McGeachy, our class advisors, for their help and guidance this year.

Dusti,

Well while I lay here wondering what to say, I only think of you know who. Everybody had to look at your annual before I got to sign it so I had to sign it while I'm in bed. It's been a lot of fun knowing you. You've really helped me out in more ways than one, but now I've sorta taken the other road. I know with your prayers and with God I'll make the right road. You've got one more year left until graduation. Just think you'll be a senior then you won't. After you get out of school you'll wish you were back there again I know I do. I would say more things but I can't because other people sign your annual and like to read what other people have written. Everyone wants me to turn out my light so I guess I better close. I'm sorry I didn't get a full page. I tried at least. I didn't get your letter written either. You stay as sweet as you are and you'll go along way. Always remember to take your problems to God in prayer. Whatever happens is what is supposed to happen. We don't know why, but some how it fits into the plan. Keep a cool head and leave the rest of the boys alone you hear. May be ~~it could~~ ~~it could~~ I hope Nancy doesn't forget to give this to you in the morning. Good luck next year in your senior year and after your graduation, maybe we could see each other once in a while. Guess what I made a
